### THE HOLLYWOOD PROFESSIONAL SCHOOL

is an accredited college preparatory school, which was established for the purpose of offering a strong academic foundation to professional students actively engaged in motion picture or radio work. The large enrollment of non-professional students and those studying intensively in some branch of the cultural arts, attests the adaptability of the program. The school's educational ideal may be briefly expressed as the desire to give training and advice which will enable the student to achieve his highest potentialities.

Significant among the many contributing factors to the realization of this objective, is the guidance program. Each student's course of study is planned according to his interests, talents, and objectives. By developing those qualities and skills which will enable him to find gainful employment and to become a desirable member of his community, he is prepared for economic independence. Aesthetic and cultural subjects are considered essential as preparation for leisure time. As a result of this integrating program and personalized instruction, graduates have been able, not only to bring credit to themselves and to the school, but to "keep pace with an ever-changing world."

SONG TO OUR AMERICAN FLAG

\*\*\*

As long as stars blaze  
In heaven's vaulted dome,  
So shall your stars shine  
In our heart's home.

As long as sunrise splendor  
Flames in white and red,  
So shall your stripes blaze  
Forever overhead.

Let the shining symbol  
Of heaven's holy hue  
Keep our heart forever  
Steadfast and true blue.

Let the blazing crimson  
Be symbolic of  
Love of country, and mankind  
Expressing God's true love.

Let the shining splendor  
Of purity's white light  
Continually remind us  
To do what 's just and right.

Wave on forever, oh, Flag,  
Flaunt your banner high,  
May you always shine as long  
As there 's a world or sky !

Cagna Fuschi pianist will appear in recital at Wiltshire Ebbell Theater on Saturday at 8:30 p.m.

Miss Fuschi recently returned from Poland where she played in the Chopin competition. While there she was signed by the star's music agency for a concert tour of Polish cities, including an engagement with the Warsaw Philharmonic Orchestra.

Miss Fuschi began her career in Los Angeles as a winner of the UCLA Young Artists Award.

Proceeds from the concert will establish scholarships for music students at Hollywood Benedictine School—which both Miss Fuschi and her mother, Mrs. Milan Jacobs and Jerry, earlier, attended.

## MEETING THE PRESIDENT

BY CHARLES JACKSON WHEELER

Mr. Wheeler, the narrator, is 12 years old.

At 10:10 a.m., Saturday, Oct. 27, 1956, my family and I entered the Presidential office in the White House in Washington, D.C.

We left with the President's arm around my shoulder at 28 minutes to 11. I shall be telling my children about those 22 minutes. And I shall never forget the President's last statement to me as he stood with both his hands on my shoulders, looked down at me and said, "I am very proud to have met you, Jackson." I shall try very hard to live up to that statement the rest of my life.

And I was proud of my sister Judy. And my mother was wonderful — dad too. I was surely proud of my family. The conversation was interesting and warm and real.

How can I describe the President? The very second you enter his room, you feel his greatness. This

er. He doesn't try—he is. This is hard to describe. I am only 12 years old and cannot express my feelings well at all. But this is what I am thinking.

Many a famous man tries to be funny, to be a wit. He tries to be smart. By being superior, he thinks he is impressing you. He speaks as if only he knows all the answers. He holds the world in his hand and opens it, finger by finger, to let you look.

Dwight D. Eisenhower is none of this. As I sat there, I got the feeling that he was my neighbor next door but a neighbor that I could turn to in trouble who would know what to do and would do it. I trusted him. I loved him. Why did he make me think of Lincoln? They called him Abe — they call this man Ike. Abe didn't rush into things, he took his time and thought them out. He was gentle and quiet. He, too,

Dear Charles

Thank you very much for your letter. I assure you that I, too, enjoyed greatly my meeting with you and your family.

Incidentally, I am highly complimented by your article about our conversation. Congratulations both on being the youngest Eagle Scout — and a good reporter, too!

With best wishes to the entire Wheeler family.

Dear Harold,

Although  
I know it's been  
a while since we  
last saw each other,

I hope you're well,  
and that the girls are  
giving you a hard time!  
I know you're  
the best of luck and good  
blessings.

Love  
Sharon

Harold,

It was not so long ago  
we were both in the 8th grade,  
waiting to graduate, and now 4  
or 5 years later and a couple  
thousand dollars later you are  
Senior!! I do sincerely wish  
you all the success in the  
world, and I hope you reach  
all your highest goals!

Love,

Sharon Kucera
